

## APPLICATION FOR EIFFEL SCHOLARSHIP 2024/2025

### Fact Sheet

#### PhD

#### **1. REMINDER ELIGIBILITY CRITERIA:**

**Nationality:** This program is reserved for applicants of foreign nationality. Please note that applicants with French nationality are not eligible, even if they have citizenship.

**Date of Birth:**

- PhD: the candidate must be 30 years old or under at the time of the 2024 application campaign; i.e.; born after March 31, 1993.

Fields of study for which the scholarship is requested:

SCIENCE AND TECHNOLOGY:

- Biology and health
- Ecological transition
- Mathematics and numerical science
- Engineering Sciences and Engineering

HUMANITIES AND SOCIAL SCIENCES:

- French History, Language and Civilization
- Law and Political Science
- Economics Management

**Scholarship:** Students who are already receiving a scholarship from the French Government under another program at the time of application, are not eligible, even if it is a social security allowance.

**Permanent Address:**

FOR PhD: students studying abroad are given priority over those already residing in France. The Eiffel scholarship is awarded for a maximum period of 36 months in France for registration in the 1st year of thesis. Please note that the number of 36-month scholarship will be limited. Scholarship duration of 18 months; 12 months or 6 months, for all candidates, whether they are already during their thesis or newly arrived in France or abroad, in co-direction or co-supervision.

**Origin of the files:**

Only applications submitted by French institutions are eligible. The latter undertake to register the laureates in the training for which they have been selected. Applications submitted by other means are not admissible. In addition, an applicant nominated by more than one institution will be rejected.

## **2. ELIGIBLE TRAININGS**

Only training courses accredited by the French State, leading to a master's degree, including in engineering schools, are admitted. French training courses relocated abroad are not accepted, nor are training courses within the framework of an apprenticeship or professionalization contract.

### **2.1 PhD**

Institutions may nominate for a doctoral scholarship a candidate who has already received an Eiffel scholarship at master's level. A candidate who has already received an Eiffel scholarship as part of his or her PhD is not eligible for an Eiffel scholarship again. The application of a student whose file has not been selected in a previous selection for this level is not admissible, even if this application is submitted by a different institution or in a different field of study.

## **3. LANGUAGE LEVEL**

Institutions that pre-select non-French-speaking candidates must ensure that their language level is in accordance with the level required by the training.
