

DOCTORAL POSITIONS

Graduate School and Research of Economics and Management

EUR ELMI – 2022 – 2025

1. POSITION SUMMARY

The Graduate School and Research of Economics and Management ([EUR ELMI](https://elmi.univ-cotedazur.eu)), with the support of the [IDEX UCAJedi](https://www.idex-ucajedi.fr), is seeking applicants for **two** 3-years doctoral positions on a topic related to its research areas (you can find the 4 research areas of the EUR on the website: <https://elmi.univ-cotedazur.eu/research/scientific-themes>).

2. ABOUT THE GRADUATE SCHOOL

The Graduate School and Research of Economics and Management (EUR ELMI) brings together faculty members and researchers from Université Côte d'Azur and SKEMA Business school, in the fields of economics, management sciences and sociology, around four research areas:

- Innovation and digital transformation
- Green Innovation and Ecological Transition
- Dynamics of organizations and territories
- Financial innovations and innovation financing system

The Graduate School and Research of Economics and Management propose to students a complete training in major contemporary economic and managerial challenges. Jobs opportunities include finance, human resources, innovative industries, strategy, management, tourism, digital technology, and economic expertise.

3. CALL SETTLEMENT

These grants are intended for candidates who are in the process of completing their Master 2 or MSc in economics, management, business administration or sociology, or who have already started a first-year thesis in these disciplines. Applications may be submitted in French or English. The successful candidate will commit to teaching 40 hours per year in the EUR

programs (these hours will be compensated in addition to the thesis funding at a rate of €54/gross/hour). The amount of funding is € 2,596 gross per month (approximately € 2,107 net per month).

4. APPLICATION AND SELECTION PROCESS

Application materials must include (in digital format):

1. A proposal for the thesis project (10 pages maximum)
2. A copy of the master's thesis or the MSc thesis
3. A letter from the EUR ELMI supervisor (the list of potential supervisors is available at the following addresses: <https://gredeg.univ-cotedazur.fr/presentation/les-membres-du-laboratoire> and <https://www.skema.edu/research>) explaining the link between the PhD project and one of the EUR's research areas
4. The curriculum vitae of the candidate
5. The candidate's Master 1 and Master 2 grades
6. A cover letter from the candidate

Applicants are encouraged to submit their applications to the following address before June 13, 2022: Olivier.bruno@univ-cotedazur.fr

The selection process is the following:

1. Applications will be reviewed by an ad-hoc committee which composition will be decided by the Scientific and Pedagogical Orientation Committee (COSP) of the EUR
2. The selected candidates will be interviewed by the committee, which will proceed to the final ranking.
3. The final ranking will be validated by the EUR Steering Committee (COPIL).
