

Call for Application

Excellence Scholarships of the Graduate School of Economics and Management (EUR ELMI)

PURPOSE OF THE CALL

The Graduate School of Economics and Management (EUR ELMI) offers multidisciplinary courses of excellence in economics, management and sociology at the undergraduate and postgraduate levels. Nurtured by research and involved in many international projects, EUR ELMI wants to support the most talented students from all backgrounds, so that they can successfully participate in the EUR ELMI training programs.

For that purpose, EUR ELMI offers scholarships of excellence to high level students who wish to continue their undergraduate or postgraduate studies within one of its training programs.

CALL REGULATIONS

This scholarship, of a minimum amount of 7,500 € per year, is offered for the 2024/2025 academic year. It will be paid in two installments : 50% at the beginning of the academic year and 50% upon validation of the first semester exams, or after the explicit validation of the faculty in charge of the training program (February).

The scholarship does not exempt the students from paying the registration fees, which remain their responsibility. However, in addition to the scholarship, international students (coming from outside the European Union) may also benefit from a partial exemption and be eligible to the payment of reduced fees applicable to national and European students.

Any student (in initial training or alternance) enrolled since at least one year in a French or foreign higher education institute and who wishes to continue his/her studies at Université Côte d'Azur within a program delivered by EUR ELMI is eligible for the Excellence Scholarship. There is no age limit or nationality requirement to apply for this scholarship.

The ELMI Excellence Scholarship cannot be combined with any other UniCA or IDEX Excellence Scholarship.

Students taking a gap year in 2024/2025 are not eligible for the EUR ELMI Excellence Scholarship

The scholarship will be suspended in case of repeated and unjustified absence of the student whether it be for lectures, tutorials, or exams. It may also be withdrawn in the event of non-compliance with the institution's rules of procedure.

APPLICATION AND SELECTION PROCEDURES

The application must contain the following documents:

- The completed fact sheet
- A detailed CV
- If applicable, transcript of records of the diploma equivalent to the French Baccalaureate (final degree of secondary education)
- All transcript of records of higher education
- The academic project (cover letter)
- A copy of passport / ID
- **Optional** : Any evidence of financial hardship (tax notice, bank statement, grant certificate based on social criteria...)

All documents must be readable and sent in PDF format only (maximum volume: 20 MB). Incomplete or ineligible files will be automatically refused.

Application must be sent by email to eur-elmi@univ-cotedazur.fr before 22/04/2024.

The applications submitted will be examined by a committee composed of faculty members from EUR ELMI, which will make a first ranking. This will then be submitted to the EUR ELMI Steering Committee, which will carry out the final validation of the ranking and award the scholarship.

The evaluation committee will take into consideration the excellence of the candidate throughout his/her academic career, and the relevance of his/her professional and academic project. It will also be attentive to promoting diversity, based in particular on social criteria.

⚠ The grant application procedure does not exempt from other administrative procedures to be carried out in connection with registration or re-registration.
