

APPLICATION FORM EXCELLENCE SCHOLARSHIP FOR INCOMING MOBILITY MASTERS EUR ELMI 2022-2023

The Graduate School of Economics and Management (EUR ELMI) offers a limited number of scholarships of 7500 € (paid in two instalments), for students willing to apply to a Master program delivered by the EUR ELMI for the academic year 2022/2023.

The scholarships are open to applicants having completed their undergraduate studies in another university than Université Côte d'Azur. Applicants must demonstrate excellence in academic achievement, and their willingness to enrol in a PhD program at Université Côte d'Azur upon completion of their Master.

Eligibility conditions:

- Excellence of academic background.
- Coherence between the personal and professional projects of the applicant and the desired master program.
- Ambition to enrol in a PhD upon completion of the master program.

Important

- This application procedure for the Excellence Scholarship for incoming mobility Masters EUR ELMI 2022/2023 does not exempt the applicant from following the application procedure for the target Master program. Depending on your situation, the application procedure is described on our website: <https://elmi.univ-cotedazur.eu/registration/application/master>
- This scholarship cannot be combined with other scholarships of the same type (mobility, social criteria, etc.), the amount of which would be greater than 500€. However, it can be combined with research or creation grants.
- The scholarship does not exempt from the payment of tuition fees
- The amount will be paid in two installments : 50% on the student's arrival and 50% upon successful completion of the exams.

List of documents required

All documents must be **legible** and must be sent in **PDF format only** (maximum size : 20 MB) to the International Relations Office of EUR ELMI :

eur-elmi.international@univ-cotedazur.fr

BEFORE May, 08th, 2022 – 11:59 p.m (Paris time zone).

Incomplete or ineligible applications will be not considered.

	The application form Excellence scholarship for incoming mobility Masters EUR ELMI 2022/2023
	A detailed CV
	Academic transcripts of records from each post-secondary institution attended by the applicant
	A cover letter highlighting the coherence between the desired Master program and the applicant's personal and professional projects
	Previous research works, if applicable (Bachelor or Master 1 thesis, etc.)
	Two letters of recommendation (one of which, preferably, from the head of the program previously attended by the applicant)
