

AFREN Digital Economics Conference

3EN#12

8 and 9 June 2026, Nice

3EN (Ecole d'Eté d'Economie Numérique) is the annual meeting of the AFREN association (French-speaking Association for Research in Digital Economics). This two-day conference aims to gather researchers in digital economics.

We welcome empirical and theoretical contributions related to the following (non-exhaustive) list of topics: digital platforms and services; sharing economy; regulation (net neutrality, consumer protection, privacy); cybersecurity; digital payment; blockchains; digital markets and advertising; big data and artificial intelligence; social media; innovation and diffusion of innovation; Internet and geography; news, media and content industries.

Scientific committee: Maya Bacache-Beauvallet (Telecom ParisTech), Marc Bourreau (Telecom ParisTech), Gracia Cecere (IMT Business School), Sylvain Dejean (Université de La Rochelle), Ambre Elsas-Nicolle (Mines Paris – PSL), Inna Lyubareva (IMT Atlantique), François Moreau (Université Paris 13), Thierry Pénard (Université de Rennes), Jean-Christophe Poudou (Université de Montpellier), Dominique Torre (Université Côte d'Azur).

Organizing committee: Patrice Bougette, Joeffrey Drouard, Alexandra Rufini and Dominique Torre (GREDEG and Université Côte d'Azur).

Registration: No participation fee will be charged but registration is mandatory. Participants who do not present a paper and who wish to participate are kindly asked to contact us.

Submission deadline – March 1st, 2026: Papers (even preliminary versions) or extended abstract of papers can be submitted in PDF at 3en2026@afren.fr. Decisions on acceptance will be communicated by March 5, 2026.

Contact: 3en2026@afren.fr
