 Giulia Gadani

## Education

- **PHD student in Economics at University of Côte d'Azur** **10/2020 – ongoing**  
University of Côte d'Azur (France) – GREDEG laboratory  
*PHD in close collaboration with Sant'Anna school for advanced studies (Pisa, Italy) and OFCE-Sciences Po (FR). I am hosted in the GREDEG (Groupe de recherche en droit, économie et gestion) laboratory and belong to the heterogeneity, competitiveness and growth research group.*  
*Thesis supervisor: Prof. Lionel Nesta*
- **Master's degree in economics, markets and management** **09/2017 - 07/2019**  
**Green economy and sustainability major, 110/110 cum laude**  
University of Ferrara (Italy), faculty of economics and management  
*Thesis title: "The importance of regional governments in climate change policies". Supervisor Prof. Massimiliano Mazzanti (UNIFE) and co-supervisor Dr. Ibon Galarraga (Basque Centre for Climate Change).*  
*Writing of a scientific paper accepted for publication in the Economics and policy of Energy and the Environment journal (this is also part of CERCIS and SEEDS WP series). Co-authors: Dr. Ibon Galarraga (BC3) and Elisa Sainz de Murieta (BC3).*
- **Bachelor's degree in economics, 102/110** **09/2014 - 07/2017**  
University of Ferrara (Italy), faculty of economics and management  
*Thesis title: "The transfer of environmental technologies: construction and analysis of a dataset on international trade and environmental policies". Supervisor Prof. Massimiliano Mazzanti (UNIFE) and co-supervisor Dr. Marianna Gilli (UNIFE).*
- **Business and foreign languages studies high school diploma, 93/100** **09/2009 - 07/2014**  
Vittorio Bachelet technical institute, Ferrara, Italy

## Working experiences

- **Visiting PHD student** **10/2020 – 09/2021**  
Sant'Anna school for advanced studies, Pisa (Italy)  
*Visiting for educational purposes. Attendance of courses and exams preparation. I have attended courses related to advance maths, microeconomic, macroeconomic, agent-based modelling, econometrics and statistics, and economic history.*
- **Technical employee – market and utilities department** **08/2019 – 08/2020**  
HERAmbiente joint-stock company (company specialized in waste management), controlled by HERA Group, Bologna, Italy  
*Data collection, quantitative and economic analysis of waste flows collected, recycled and sold, creation and updating of reports to monitor waste and second raw materials at firm's strategic assessment purposes and weekly and monthly data exchange and monitoring with CONAI consortia.*
- **University tutor in the Economic field, 210 hours** **09/2017 - 07/2019**  
University of Ferrara (Italy), faculty of economics and management  
*Support for students in the macroeconomics and public economics exams, support for teachers during examinations and participation in the open days of the faculty.*
- **Guest researcher – Curricular internship and project work, 275 hours** **09/2018 - 12/2018**  
BC3 - Basque Centre for Climate Change (multidisciplinary and international climate change research centre), Leioa (Bilbao), Spain  
*Data collection, econometric and statistical analysis, creation of mitigation and adaptation commitment indicators, literature review and thesis writing. Research themes: climate governance, climate change commitment, regional climate policies, regional climate policy instruments.*  
*Participation in the Erasmus + traineeship program.*
- **Extra-curricular internship, 50 hours** **09/2016 - 11/2016**  
University of Ferrara, Faculty of Economics and Management  
*Creation of environmental policy indicators (energy efficiency and waste) in Excel; creation of a dataset about environmental policies implementations in OECD countries.*
- **Junior researcher – curricular internship, 100 hours** **02/2016 - 03/2016**  
Eco&Eco LLC (environmental research and consulting company), Bologna, Italy

Data collection and revision of the publication "Economy Environment Education", part of the project "showcase of sustainability" of the Emilia-Romagna region; writing of a research draft and conference paper on the systems of payment for ecosystem services.

▪ **High school internship, 110 hours**

05/2013

C.U.S Ferrara (sport activities company), Ferrara

Back-office and front-office duties

---

- 

### Seminars and conferences

04/11/20 - Euro-Mediterranean centre for climate change – CMCC (Venice, Italy) seminar.

Introduced by Prof. Enrica de Cian (Ca' Foscari university and CMCC, Venice). Title of the presentation: "Regional climate change policies, an analysis of commitments, policy instruments and targets".

20/01/22 – GREDEG PhD Workshop - GREDEG laboratory, University of Côte d'Azur, France.

Presentation of my PhD thesis research proposal. Discussant: Prof. Lionel Nesta.

---

### Research interests

- Climate change and energy economics and policy
  - Econometric approaches for the environment
  - Political economy
  - Behavioural economics for the environment
- 

### Hard Skills

Data collection and analysis, environmental policy analysis, creation of environmental indicators, writing, research, statistics and econometrics, public policy evaluation and reporting.

---

### Soft Skills

Organization, creativity, responsibility and precision, teamwork, independent work, interpersonal relations, curiosity, oral communication, presentations, work under pressure and work in a multicultural environment

---

### Digital skills

Excel (upper-intermediate level), Office package (intermediate), R (beginner), Stata (beginner) and SAP SRM software (beginner).

---

## Foreign languages

*English (C1), French (B1), German (A2) and Italian (mother tongue).*

---

## Certifications

- *ECDL License (2014)*
  - *English language Trinity certificate B1.2 (2011)*
-
