YOUR PROSPECTIVE MOBILITY AT UNIVERSITE COTE D'AZUR

In order to help us to organise your stay at our university, we kindly ask you to indicate below the types of activities (in terms of teaching, research collaboration, institutional collaboration) you would be willing to undertake during your mobility. The part on 'teaching and research activities' is primarily addressed to academics, and the part on 'institutional collaborations' to all staff members and academics with administrative responsibilities. We will do our possible to get back to you within 2 weeks after receiving your request to confirm whether we can host you, with a preliminary schedule of your activities.

General information

- Exchange program funding your mobility:
 -
- As of today, have you secured the funding of your mobility:
 -
- Prospective dates of your mobility:
 -
- Spoken languages (for lectures, seminars, meetings)
 -
 -
- Comment:
