Be careful to respect the semester of your mobility:

- Semestre 2: courses named « Semestre 2 or 4 »

Be careful to write the code on your LA:
- You can find the code of the course on the catalogue (see next page)

Be careful: most of the master’courses are in full continuous control
- You will have to be assiduous for interrogations, homeworks, group work etc.
VII. List of courses

The catalogue of courses is available on our website: [https://elmi.univ-cotedazur.fr/international/programme-de-mobilite](https://elmi.univ-cotedazur.fr/international/programme-de-mobilite)

Careful! Some Masters are annualised. If you are here for only one semester, you must pick a Master « semestrialisé » « See the Document récapitulatif ». Furthermore, you can only choose courses from one Master. For instance, if you take courses from CESUN, you won’t be able to take courses from EE! However, you can complete with the courses Mineures.

XIII. Housing

Public Academic residences are administered by CROUS (Centre Régional des Œuvres Universitaires et Scolaires) de Nice-Toulon, NOT by UNIVERSITY. However, we will help you with the process of application for a room.

If you wish to apply for an universitary room of the CROUS, you have to apply for a Dossier Social étudiant on the following link: https://www.messervices.etudiant.gouv.fr/envole/enregistrement

Once your file created, a provisional INE (National Student Identifier) will be given to you. Next, you will have to communicate this INE in the Application form.

We will then communicate your information to the CROUS, and we will keep you informed as soon as we have an answer regarding the allocation of rooms.

Beware! Application to an universitary room does not guarantee to get one. Please keep on looking for an accomodation on your side.

It is also possible to search for an individual accomodation. You will have to do this research before your arrival in Nice. The search for accommodation is not easy: rents are high, places are rares (from 550€/month, depending on the type of accommodation sought).
