

## EIFFEL SCHOLARSHIP APPLICATION: 2024/2025

### Fact Sheet

#### MASTER'S DEGREE

##### **1. REMINDER OF ELIGIBILITY CRITERIA:**

**Nationality:** This program is reserved for applicants of foreign nationality. Please note that applicants with French nationality are not eligible, even if they have citizenship.

**Date of Birth:**

- MASTER: the candidate must be 25 years old or older or under at the time of the 2024 application campaign; i.e., born after 31 March 1998.

**Scholarship:** Students who are already receiving a scholarship from the French Government under another program at the time of application, are not eligible, even if it is a social security allowance.

**Permanent address:**

FOR THE MASTER'S PROGRAM: Only students studying abroad can apply. Candidates studying in France are ineligible.

**Origin of the Files:**

Only applications submitted by French institutions are eligible. The latter undertake to register the laureates in the training for which they have been selected. Applications submitted by other means are not admissible. In addition, an applicant nominated by more than one institution will be rejected.

##### **2. ELIGIBLE TRAININGS**

Only candidates who are likely to join a training course leading to a master's degree, including an engineering school, are eligible. Only training courses accredited by the French State are admitted. French training courses relocated abroad are not accepted, nor are training courses within the framework of an apprenticeship or professionalization contract.

###### **2.1 Master**

The application of a student whose application was not selected in a previous selection is not admissible, even if the application is submitted by a different institution or in a different field of study. The application of a student who has already benefited from an Eiffel scholarship at Master's level is not admissible for the same level.
